

Embracing Eldership

3rd-5th April or 5th-7th July or 7th-9th July 2017

Come and join elders from around the URC to explore what it means to exercise the ministry of Eldership today. Whether you are a new elder, or have had many years of service, there will be something for you to offer and receive in this three-day event.

Sessions will be tailored to the needs of the group and give opportunity for you to share experiences, learn about the responsibilities of local church leadership. Develop new skills and find resources for you and your church.

Enjoy the welcome and hospitality of Westminster College, hosted and led by Val and Rod Morison.
