

# Eldership on the Frontline 2018

*A chance to be refreshed and resourced for the important role Elders play in the URC.*

As society is constantly changing there seem to be a whole variety of demands on people's lives and time. The church seeks to be involved in the life of its community and to be local congregations who are welcoming and where people can safely seek answers to life's big questions. Often it is the Eldership that finds itself on the frontline trying to keep the church active, offer pastoral care of members, quality worship and ensuring the mission of the church is relevant to the 21st century.

**This can be quite a challenge!!**

Sound familiar? Then the 2018 equipping Elders conference may be for you. With input from the staff here at Westminster we will together tease out the role of Eldership for today's church, share stories and Biblical insights and help to resource you for your important ministries. Whether new to the role or you have been an Elder for many years, we hope there will be something here to enrich and encourage you in your ministry. Alongside of the programme you will have time to enjoy each other's company, good food, the facilities and resources of Westminster College and the beauty of Cambridge.

We look forward to welcoming you
