

Independent Study

We have students from a wide range of backgrounds and experiences joining our community here at Westminster to **deepen** and **enrich** their **faith** by engaging in **theological study** in the context of a worshipping community.

We welcome enquiries from prospective independent students, who are actively engaged in ministry in their local churches, with the written support of their pastor.

We also support those preparing for Christian ministry in other denominations in the Reformed Tradition. We are happy to organise a programme of training in partnership with denominations overseas, subject to visa and immigration requirements.
