

A Gift of a Wedding February 2018

Our team is always going the extra mile to help others...

In February, our Domestic Manager and Wedding coordinator, Hannah Anderson donated her time as a wedding planner to an amazing charity, Gift of a Wedding, www.giftofawedding.org. UK-based, they organise free wedding services for couples with a terminal illness by getting professionals to donate their times, goods or/and services generously. As their wedding planner, Hannah liaised with the other suppliers and the charity in less than a week before the couple's big day!

The wedding took place on Friday 9th February at the beautiful Woughton House Hotel, situated in Milton Keynes, part of the group Accor, www.accorhotels.com/gb/hotel-6627-woughton-house-mgallery-by-sofitel/index.shtml. Alison and Andy were surrounded by all their close family and friends, and were provided with a beautiful and smoothly run day. On their very special and emotional day, Hannah worked tirelessly the entire day to make sure everyone was where they needed to be, everything was in place and that the loving couple had an amazing day like any brides and grooms she has been dealing with for the past 10 years.

You have made another dream come true for the happy couple. Thank you Hannah for all your hard work, dedication and passion for our industry – the Hospitality Industry has a big heart with this shining star! Photo Credits: Lorna Newman Weddings
