

Hannah has been at Westminster for five years running the hospitality department. Getting married at the college herself back in 2016, Hannah knows the building inside out so is the perfect person to answer all your queries!

Congratulations on your engagement! We are so pleased that you have shown interest in our venue!

I would love to help build the wedding of your dreams at Westminster College. From our first point of contact until your big day, I will be with you every step to make sure this journey is as stress free and exciting as possible!

A bit about me

I have been working in hospitality for over ten years in various hotel settings. I started at Westminster over four years ago as maternity cover. Fast forward to 2019, as well as being Hospitality Manager, I am the Wedding Coordinator too!

I absolutely love weddings and everything about them! A lot of time is spent planning, prepping and pulling together the big day, but it really is worth it to see the smiles and laughter.

The college is beautiful, and has a timeless and classical setting that draws you in. I had my own wedding here back in 2016, so I really know all the ins and outs of the building, and can offer recommendations and advice if you need it.

As your personal wedding coordinator, I can assist you with as much or as little as you need throughout the process. I will be there on the day of your wedding to make sure everything runs perfectly.

I like to invite all couples for a coffee at the college, so we can have a casual chat about your requirements and to show you around the building.

If you would like to meet, please feel free to call me on 01223 330636 or email hlp39@cam.ac.uk to arrange a date.

I look forward to meeting you!
